# A PLATFORM TO AWARD SUCCESS STORIES & CREATE BENCHMARKS

The Global Logistics Excellence Awards will be a platform that will put a spotlight on the heroes of the sector who have risen in spite of challenges whether managing logistics operations within the enterprise or as 3PL players. The Award Show will identify shortlist and bring to the forefront individuals, organizations and projects that have created excellence in the domain of logistics.

The Awards will not only be an expression of gratitude but will also help spread the knowledge that comes from the successful case studies, best practice which will become the benchmark for many more professionals to follow.

The contestants can apply for 90 awards in 13 categories supported by applications in the required format. The awards will be judged by an eminent jury comprising senior industry professionals.

## Glimpses

# GUIDELINES

## Entering the Contest

- Professionals and organisations can both self-nominate themselves to Global Logistics Excellence Awards 2018.The applicants will have to submit their candidature in a document which is no longer than 5 pages and describes and covers the key criteria for being short listed in their respective category. A few things to consider while submitting your candidature.

- All activities and achievements that are described as the data point for selection should have happened in the immediate preceding 12 months i.e. between April 2017 – March 2018.
- It is also important that the organisation and that particular function within the organisation should be in operation on the date of awards and not discontinued by the company.
- The participating company can be Indian or international with a proven presence in India. International players will have to be active in India for at least a full year to be eligible.
- The entry should not be more than 5 pages long including any case studies, supporting financial data, pictures, recommendations, endorsements, graphical representations etc.
- All applicants have to ensure that the facts that they present in the application are verifiable by the Jury in case its required and are supported by solid documentation.
- Please draft your submissions in a format that it's easy for the jury to understand.

## Submitting Your Entry

Before making your submission, please ensure the following:

- The entry document should not exceed 5 A4 size pages
- This should cover a brief case study in 500 words describing why you feel you are eligible for the award that you are staking your claim to. Support that with relevant facts, figures, pictures, references and data.
- Ensure that all submissions are fact based and can be substantiated by documentary evidence should the Jury require you to.
- Upload two high resolution pictures of your product, project, team, office which can be displayed along with the AV of your nomination.
- Upload a high resolution PDF version of your company logo to be used with your nomination listings
- Please submit the name that you would like to be engraved on the trophy should you be declared a winner
- Submit the name and designation of the person who would receive the trophy from your side should you be declared a winner

## Completing Your Entry – Key Steps

Please follow the following steps to submit your entry online:

### Applicant Details – Company or Individual
Please fill in the name of the organisation, contact person, contact detail, and a brief 75 word overview summary of your entry.

### Your Entry Document & Logo
Upload a scanned copy of your 5 page application document in a PDF format. Also upload a copy of the company logo in PDF format

### Photos for the AV Presentation
Upload 2 high res photos to be a part of your AV presentation at the function night.

### Trophy Form

# Criteria of Selection & Shortlisting

- **Company background:** Please provide a brief description of the organisation such as when it was established, number of employees and key skills within your team. Please also provide an indication of your turnover and staff size.
- **Key Projects & Initiatives:** Please detail significant and specific activities that have contributed to business growth. This can include specific mergers, acquisitions, strategic alliances & expansion initiatives.
- **Operational Excellence:** Please outline steps taken by the organisation to boost operational performance in this time, including any resulting tangible benefits to your customers. Please also highlight any Health & Safety initiatives introduced.
- **Innovation:** Please highlight the innovations in business strategy, processes or market approach that helped you overcome operating challenges.
- **Execution & Challenges:** Describe how the brief was fulfilled, including any challenges faced and how the team worked together to overcome them.
- **Outcomes & Results:** Summarise the outcomes of these efforts and outline the organisation's future goals.
- **Additional Facts:** Include any other facts or statements that you feel are relevant to support this particular entry including details of any other awards, certifications, customer and vendor endorsements, personal excellence stories etc.

## Judges & Judging Process

A distinguished panel of Judges drawn from the industry will review and judge the entries for the awards. The jury panel can be viewed on (insert link to page)

**Shortlisting**

- After the closure of the date of submissions all entries will be examined and shortlisted using pre-set criteria by a team of subject experts.
- The highest scoring submissions will be selected to go forward to the shortlist for each category.
- You will receive an email from the awards team letting you know if your entry was successful or not.
- The shortlist of finalists will be published on the event website and newsletter

**Judging**

- Judges are divided into panels, based on their expertise, to ensure any possible conflict is avoided
- Al judges score finalists based on the relevant category criteria
- Scores are then collected by the awards tem and collated
- Scores are sent to the judging coordinator who checks and verifies all scores
- The highest scoring entrant is declared the winner of that category

**The final winners will be announced at the Awards function on 23 February, 2018**

# Terms and Conditions

- Global Logistics Excellence Awards are devised and organised by Infinity Exhibitions & Conferences Pvt Ltd, New Delhi.
- All entries for the Global Logistics Awards Excellence 2018 must be completed and submitted on the event website www.globallogisticsshow.com/awards.
- The published entry deadlines are fixed and binding for all applicants however the organisers resrve the right to extend the same at their own discretion.
- Applicants certify that all entries are honest and truthful and open for documentary evidencing of claims should the Jury require at the pertinent stage.
- Individuals and organisations can self-nominate themselves for the awards. However, it is assumed that the individuals working as professionals have seeked internal approvals from their respective organisations. It is also understood that the professional submitting the entry on behalf of the organisation is duly authorised to do the same.
- Applicants agree and accept that the decision of the judges will be final and binding and confirm that they will not engage in any kind of correspondence that tries to influence or counter decisions.
- The applicants also hereby confirm that the financial figures, data and material that they submit as a part of their application is their property and is in no way in breach of any contractual obligation that they might have with any third party.
- The entrant indemnifies, and agrees to keep indemnified, the organisers of the Global Logistics Excellence Awards for any claims arising out of any material, statements or claims made as part of their entry.

# Terms and Conditions Continue..

- The applicant accepts that the organisers of the awards via the Jury are entitled to judge their entry and select what they consider to be the winner in a given category without and legal recourse to the entrants.
- It will be the sole responsibility of the entrant to appoint a representative to collect the trophy should they be shortlisted and are declared winners on the awards night.
- In the event that a winner's representative is not present at the awards function the trophy will be shipped to them upon receipt of a payment of INR 3000.00 plus ST towards logistics charges. The organiser reserves the right to use any photographs, video, sound, written or other material pertaining to the event with or without the winner in it for its promotion campaigns without any restriction.
- Incomplete entries will be deemed invalid and withdrawn from the Awards.
- The Global Logistics Excellence Awards reserves the right to withdraw an entry from the judging process at any time if the entry is deemed inappropriate for any reason.
- The Global Logistics Excellence Awards' decision is final and binding on all applicants without any legal recourse.
- Global Logistics Excellence Awards reserve the right to nominate the entrant in additional categories that the organisers feel appropriate. Entries will be judged by a panel of judges which will be published on the event website.
- Organisations can choose to enter in multiple categories wherever they deem deserving of an award.Sponsors cannot enter the category they are sponsoring.
- Global Logistics Awards and all its Intellectual Property remains the sole copyright of Infinity Exhibitions & Conferences Private Limited
- These rules and regulations will be subject to the laws of Republic of India with Delhi jurisdiction.

## ABOUT INFINITY EXPO

infinity Expo is a specialised business media company that creates well researched, industry need based platforms where buyers & sellers come together to meet, interact, exchange ideas, collaborate & transact business .The interactions at such forums are much more diverse than just generating sales leads & help create long term strategic business associations. The events organized by infinity fit in well with the marketing plans providing the much needed sales & lead generation interface via face-to-face marketing. With our extensive experience in organising business events & intensive research processes, we create content driven & meaningful networking platforms for our business.

Presently, Infinity Expo has a diverse portfolio of events serving the Logistics, Rehabilitation, Manufacturing, Technology, Supply Chain, Multi-modal sectors across India.
